

ENGINE BAY DETAIL AUTHORIZATION & WAIVER

Separate authorization required for engine bay detailing.

Customer Name: _____

Year / Make / Model: _____

Phone: _____

License Plate / VIN (optional): _____

Vehicle: _____

Date: _____

I authorize ACES Detail to clean and detail the engine bay of my vehicle. I understand that ACES Detail uses controlled cleaning methods and only lightly mists water where appropriate.

BY SIGNING BELOW, I ACKNOWLEDGE AND AGREE THAT:

- ☐ Engine compartments contain electrical, mechanical, and aftermarket components that may be sensitive to moisture.
- ☐ Pre-existing conditions such as brittle or damaged wiring, loose connectors, corrosion, cracked plastics, damaged seals, *fluid leaks, prior repairs, or improperly installed aftermarket equipment may increase the risk of electrical or mechanical issues during or after cleaning.*
- ☐ Engine bay detailing is a cosmetic cleaning service only and is not intended to diagnose, repair, or correct mechanical or electrical problems.
- ☐ I have disclosed any known starting, *charging, electrical, mechanical, wiring, leak, or moisture-related issues* before service.
- ☐ I understand that although ACES Detail uses controlled processes and *only a light water mist where appropriate, there is still inherent risk when cleaning an engine compartment.*
- ☐ I authorize ACES Detail to *perform the service and accept the inherent risks associated with engine bay detailing.*
