6. MEMBERSHIP TERMS

- The selected initial term is six (6) or twelve (12) consecutive monthly billing cycles.
- After the selected initial term, membership continues month-to-month until canceled with at least 30 days' written notice.
- Monthly autopay is required for all memberships.
- A 12-month term receives 10% off Membership Ready / Reset Service only.
- Service frequency is based on the selected plan and reasonable route / weather scheduling.
- Weather, unsafe conditions, marina restrictions, or lack of vessel access may require rescheduling.
- Recurring membership service is maintenance care - not restoration, heavy oxidation removal, major stain correction, or neglected-vessel recovery.
- The vessel must remain in maintainable condition. Corrective work outside recurring scope is quoted separately.
- Member pricing and included scope apply only to the enrolled vessel unless ACES approves a transfer in writing.

7. CANCELLATION & EARLY TERMINATION

- If the Member cancels before completing the selected initial term, an early termination charge equal to 50% of the remaining scheduled membership payments becomes due.
- If a 12-month Member received the 10% Membership Ready / Reset discount and cancels before completing twelve months, the amount of that discount also becomes due.
- Payments already processed, completed services, partial billing periods, and approved add-ons are non-refundable. Unused visits have no cash value.
- Written cancellation notice may be emailed to adam@acesdetail.com or delivered to ACES Detail.
